(AICTE) Act. To improve quality of faculty in technical institutes, AICTE operates various Faculty Development Programmes, like Quality Improvement Programmes (QIP), Continuing Education Programmes (CEP), Early Faculty Induction Programmes (EFIP), etc.

Higher Education for Women

†3592. SHRI RAVI SHANKAR PRASAD: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether it is a fact that the number of universities and colleges in the country has increased manifold after Independence, whereas the increase in the number of women's education institutes has been negligible;

(b) if so, the data in this regard; and

(c) whether Government have any programme for furtherance of women in higher education; if so, the details thereof?

THE MINISTER OF STATE IN THE DEPARTMENT OF SCIENCE AND TECHNOLOGY IN THE MINISTRY OF SCIENCE AND TECHNOLOGY (SHRI BACHI SINGH RAWAT): (a) and (b). No, Sir. According to the information furnished by University Grants Commission (UGC). there has been five-fold increase in the number of universities and nine-fo d inerease in the number of colleges in the country, as compared to Universities/Colleges existing in 1958-59 and 1999-2000. The increase in the number of universities and colleges for women is five-times and ten-times respectively during the same period. A statement indicating the number of universities and colleges from 1951 to 1999-2000 is enclosed as Statement (*See* below).

(c) UGC has initiated a number of schemes like Special Scheme for Construction of Women's Hostels, Part-time Research Associateship for Women, Women Study Centres and Cells, etc. to promote higher education for girl students. The Commission has also introduced a new Scheme *viz.* Technology for Women' in Women Universities for starting B. Tech. courses in Electronic & Communication, Computer Science & Technology, and Information & Technology.
